

VOLUNTEER CELEBRATION

This celebration is for all Heritage volunteers! If you organized Friday folders, volunteered on field trips, helped in the library, participated in the Book Fair, sharpened pencils, organized books in the library or a classroom, cut out laminated projects, hung art work, read with students, helped a small group of students in math or science, will run a field day station or even organized books in one of Heritage's Little Free Libraries; YOU ARE INVITED! These are just a few examples of the many things you do for us.

Let us show you our appreciation by joining us
